Special Note: Replacement filter for use in Enhanced ezH2O Bottle Filling Stations.

- Replacement filter for Elkay enhanced ezH2O bottle filling stations that offer all the features of the original line with added ingenuity including filter recognition and energy-savings mode
- Filter is tested and certified to NSF/ANSI standards 42 and 53 for the reduction of PFOA and PFOS; two prevalent PFAS chemicals, lead, Class 1 particulates, cysts and chlorine taste and odor
- Filter should be replaced every 2,250 gallons; expires 1 year after installation
- Equipped with quick-disconnect, 1/4-turn installation, as well as automatic inlet shut-off valve that closes when filter is removed
- Safer, better-tasting water is a top priority at Elkay; we offer an assortment of filters that are tested and certified by a third-party organization to reduce things like lead, PFOA and PFOS
- Provides filtration at the point of use where needed

Included with Product: 2250 gallon replacement filter cartridge
