

model MTGFR.LG

Electric Water Cooler Mounting System

FEATURES & BENEFITS

CONSTRUCTION

Constructed of heavy gauge galvanized steel, this frame provides the needed support for Haws 'Hi-Lo' drinking fountains along with added corrosion resistance for long life.

MOUNTING

Normally mounted in advance, this frame allows for precise mounting and superior finish when aesthetics is a must.

SPECIFICATIONS

Model MTGFR.LG "Hi-Lo" mounting frame is made of heavy gauge galvanized steel with pre-punched mounting holes and is used with Haws dual bubbler electric fountains.

APPLICATIONS

Haws produces mounting plates and frames to assist in the installation process as well as to provide solid bases for the wall mounted designed fountains. Mounting plates and frames meet the requirements solely for the specified applicable fountains and are not designed to be used in the installation of any unspecified fountain.
