

# model MTG.3500

Mounting Plate

## FEATURES & BENEFITS

### CONSTRUCTION

With a stainless steel plate and welded-on anchors, this mounting system supplies a superior base for the 3500 series pedestals along with excellent corrosion resistance.

### OPTIONS

For more information, visit [www.hawesco.com](http://www.hawesco.com) or call (888) 640-4297.

## SPECIFICATIONS

Model MTG.3500 mounting plate is a 3/16" (.47 cm) stainless steel plate with integral 6" (15.2 cm) zinc plated anchors designed to give in-ground support for 3500 series pedestal fountains and includes the mounting hardware.

## APPLICATIONS

Haws produces mounting plates and frames to assist in the installation process as well as to provide solid bases for the wall mounted designed fountains. Mounting plates and frames meet the requirements solely for the specified applicable fountains and are not designed to be used in the installation of any unspecified fountain.
